A REMINDER & HELPFUL HINT: It is very helpful to label all of their supplies individually (as in each crayon, marker and pencil in the box) as students are always dropping them and leaving them behind in the art room. Helpful Hint for labeling colored pencils is to "paint" a stripe of white-out near top of pencil and write the child's name in sharpie over that when it is dry. Sharpie writes well and stays on sides of markers and crayon paper.
